

2025

Resolution #1 - Blackleg labelling requirement

BE IT RESOLVED THAT the Manitoba Canola Growers work to make Blackleg major gene resistance labeling a requirement for canola variety recommendation or registration.

M/S/C (Cam Stockford/ Nicolea Dow)

2024

Resolution #1 – Canola disease genetics labelling

BE IT RESOLVED THAT MCGA encourage the canola seed industry to utilize and/or develop universal labels to provide information on canola disease genetics to farmers.

M/S/C (Nicolea Dow/Fiona Jochum)

2023

No resolutions passed.

2022

Resolution #1 – Canola disease genetics

BE IT RESOLVED THAT MCGA encourages the canola seed industry to provide information on canola disease genetics to farmers.

M/S/C (Nicolea Dow/Lindsay Friesen)

2021

Resolution #1 – Export Sales Reporting

BE IT RESOLVED that MCGA work with other commissions and organizations to advocate for the establishment of an Export Sales Reporting Program where all sales over the set minimum volume for canola seed, oil and meal, and other crops, must be reported daily to be compiled weekly and released in a timely fashion, to add valuable knowledge to aid producers in marketing of their production.

M/S/C (Ron Krahn/Gunter Jochum)
